OPPORTUNITY KNOCKS AFTER SCHOOL

What is the AfterOpp?

This spring we are piloting a new concept for Tulsa – an after-school “campus” of activities for junior high students at selected schools. Through this FREE pilot, youth will enjoy fun, safe after-school programs — ranging from sports, arts and music, to hands-on science -- in the AfterOpp, a partnership with Rogers Junior High School, Tulsa Debate League, and The Opportunity Project. We'd like your student to be one of them! And the AfterOpp always welcomes families and guardians as guests into the program – just check with your sight coordinator.

Youth in the AfterOpp will enjoy:

- High quality, safe programs offered by experienced program providers from some of Tulsa’s best organizations, teachers, and trained youth workers.
- A healthy snack at the start of the program.

Junior high students who regularly attend high-quality after-school programs attend school more, do better in math, want to learn during the school day and have better relationships with their teachers and other adults. Students who participate regularly during junior high graduate from high school at a higher rate than their peers, and the activities prepare them for success in careers and college.

Please note that students are enrolled on a “first-come, first-served” basis, so the sooner your student returns this brochure, the more likely they are to have a spot. We can’t guarantee that students will be enrolled in programs they select, but we will offer other available programs similar to their choice program or put them on a waiting list for their choice programs. Families will receive a phone call letting them know if their student has been accepted for particular programs.

- Youth are required to attend ALL days their particular programs meet, and those who have more than two unexcused absences or who do not comply with AfterOpp code of conduct can be removed from programs and their slots offered to someone on the waiting list.

Programs run:

- 3:35 PM – 5:25 PM / Monday through Thursday / January 22-April 4, 2019.

While we are working to schedule school-buses to drop youth off at stops near their neighborhoods at the end of programs, families are ultimately responsible for organizing transportation home at the end of the day; the various options are outline in the TRANSPORTATION section below. Please know that you are also always welcome to pick up your child at the end of the program day at 5:25 p.m.
